

wintershall dea

GEOPHYSICIST, EXPLORATION LICENSE TEAM (M/F/D)

AT BUSINESS UNIT MEXICO, MEXICO CITY, MEXICO

LOCATION

Mexico City, Mexico

STARTING DATE

1st July 2020

CONTRACT TYPE

Local Contract

DEPARTMENT

Exploration

WORKING HOURS

Full-time

REFERENCE CODE

MXJH14

What you can expect

- Exciting Geophysicist position fostering G&G evaluation of 3 Wintershall Dea own operated and 6 partner-operated exploration blocks
- Seismic interpretation, well-to seismic-ties, depth conversion and reservoir prediction to identify and mature drillable prospects
- Participation in volume and risk assessment in compliance with the company exploration guidelines
- AVO analysis and seismic inversion projects to predict reservoir thickness, distribution and fluid fill
- Planning and supervising borehole seismic, following up seismic (re)-processing projects, contractor QC
- Active collaboration with joint-venture partners
- Presentation of results internally and in meetings (TCMs) in joint ventures, workshops and conferences
- Cooperation with Mexican research and governmental organizations
- Be an integral part to actively support exploration growth ambitions and portfolio expansion in Mexico
- Close cooperation with regional team
- Be part of a highly motivated and agile team, reporting to Head of Exploration License Management

What we expect

- University degree in Geosciences
- 10+ years of experience in E&P
- Experience in seismic interpretation, well-to-seismic ties, attribute generation and depth conversion
- Ideally experience in AVO and seismic inversion
- Experience in disciplines like structural and salt basin geology desired
- Knowledge in volumetric calculation and risk assessment preferable
- Proficient in the use of geophysical interpretation software such as Petrel
- Ideally also user of CGG-HampsonRussel ArcGIS and GeoX
- Experience in seismic acquisition & processing or potential field-methods (e.g. Gravity-Magnetics) is a plus
- Performance in multi-disciplinary team environment
- Strong awareness of importance of E&P data quality
- Adequate skills to present and document results
- Motivation to continue learning, an open mind and open communication also across time zones
- Excellent command of written and spoken English and Spanish

- Responsibility from day one in a challenging working environment.
- Networking and familiarization within the company.
- Work & life service which provides advice and supports in all matters affecting work, life, family and health.
- Global career opportunities and attractive remuneration packages.

wintershall dea

Who we are

Wintershall Dea is Europe's leading independent natural gas and oil company with more than 120 years of experience as an operator and project partner along the entire E&P value chain. The company with German roots and headquarters in Kassel and Hamburg explores for and produces gas and oil in 13 countries worldwide in an efficient and responsible manner. With activities in Europe, Russia, Latin America and the MENA region (Middle East & North Africa), Wintershall Dea has a global upstream portfolio and, with its participation in natural gas transport, is also active in the midstream business.

Wintershall Dea was formed from the merger of Wintershall Holding GmbH and DEA Deutsche Erdoel AG, in 2019. Today, the company employs around 2,800 people worldwide from over 60 nations.
