# New issue of the DEA Magazine

The new issue provides you with information on DEA's international activities, the people who make them possible and the challenges our industry is facing.

The focus of the latest DEA Magazine is on the production start in the megaproject West Nile Delta in Egypt that took place in March 2017. In an interview, DEA's Chief Financial Officer Dmitry Avdeev talks about the business results achieved in 2016 as well as the corporate strategy with regard to the financial markets. Furthermore, on the basis of concrete projects, you will get an insight into the topic security which is of major importance for DEA. And there are even more exciting stories about the company waiting for you. Enjoy reading!
