# First edition of DEA Magazine in 2018

The new DEA magazine is hot off the press! In this issue you will find numerous topics – including background information – that will allow DEA to go from strength to strength in future: DEA's CEO, Maria Moræus Hanssen, gives personal insights, coupled with her clear and unambiguous stance on corporate and leadership culture.

In addition, read all about DEA's activities in the individual countries. In this edition, we also highlight Egypt and Mexico in particular. Both are amongst the key countries for the Company's successful growth.

Immerse yourself in DEA's world – we hope you will enjoy reading our articles!

Here you can find the issue.

EDITORIAL

## Dear Readers,

I have been very much looking forward to welcoming you here. I have been on the road for DEA since January, working with all my passion and enthusiasm. I have already been able to play an active role in shaping some exciting months for our company. There have been times when, after intensive preparations – we have already celebrated some team successes, such as our entry into the Mexican market. The next few months are going to be exciting too, both in operational business and with the planned merger with Wintershall. We have a lot to do – I am firmly convinced that it is all worth it! You can read more about these plans in this issue.

I hope you enjoy diving into the world of DEA.

Sincerely,

*Liebe Leserinnen, liebe Leser,*  
es freut mich sehr, dass ich Sie hier begrüßen darf. Seit Januar bin ich mit viel Herzblut und Enthusiasmus für DEA unterwegs. Einige spannende Monate konnte ich in unserem Unternehmen bereits aktiv mitgestalten. Nach intensiver Vorbereitungszeit konnten wir schon manchen Teamerfolg gemeinsam feiern, zum Beispiel bei unserem Markteintritt in Mexiko. Und es bleibt spannend in den kommenden Monaten, sowohl im operativen Geschäft als auch für den geplanten Merger mit Wintershall. Die nächsten Monate werden ebenfalls sehr spannend sein. Sie werden dabei viel Spaß beim Entdecken in die Welt der DEA wünschen können.
